

## Instruction for preparation of your power-point presentation

First of all, ATRANS would like to express sincere gratitude to you for the kind acceptance to deliver a keynote lecture in the 2<sup>nd</sup> ATRANS Symposium which will be taken place on 27-28 August 2009 at the Imperial Queen's Park Hotel, Sukhumvit 22 Road, Bangkok, Thailand.

In this year symposium, ATRANS is honored by numbers of distinguished speakers from many countries across the continent including Hong Kong, Japan, Switzerland, Thailand and Vietnam to deliver keynote lectures in the symposium. This has made ATRANS having a total number of speakers more than 20 persons in only a day of the event. Special thanks to the distinguished speakers for making this happened. ATRANS believes that participants who will participate in the event will definitely gain numerous knowledge and experiences as well as information interchange with one another.

To help us smoothing the symposium event and in order to ease speakers for preparation of their power-point presentation, please kindly follow the instruction below:

### [1] Time allocation for each presentation

Since there are a large number of speakers devotedly and voluntarily making presentations in the symposium event on 27-28 August 2009, ATRANS has done its best to allot the time to fit with the program, see also the attached program. Hence,

- Each presenter will have 20 minutes for presentation and there will be 10 minutes provided for questions & answers at the end of the session.
- Please kindly develop your presentation to fit with the time allotted.

### [2] Structure of Presentation

The speakers/ presenters may arrange their ppt. presentation as follows:

- 1) Introduce situation and problems concerning the presentation topic.
- 2) Present what have been done and are doing and plan to do in the future
- 3) Explain from your perspective point of view: what should be done in coming future or immediate remedial action or necessary researches in future or required collaborative work for interdisciplinary research and expectation for ATRANS activities, etc.

### [3] Instruction to develop Power Point Presentation

- 1) Number of slides: The maximum number should be no more than 20 pages
- 2) Language: English and Thai

- 3) Note that for Session 1, the speakers/presenters may present their ppt. presentation in Thai as preferable.

#### **[4] Submission of ppt. presentation file**

ATRANS will distribute symposium's reading materials to all participating audiences. To help us organizing the event smoothly, please submit your ppt. presentation in e-file no later than 10 August to [noynoifukuda99@gmail.com](mailto:noynoifukuda99@gmail.com). The slides should be in ppt. format.

Note that when submitting the electronic ppt file, please kindly submit your CV with picture if available so that the session chair can introduce you to the audiences correctly and properly.

#### **[5] ATRANS Symposium Background**
